'Together We Grow'

Dear Parents

It has been fantastic to welcome back your enthusiastic children after half term who are all eager to start new topics.

Thank you for attending our Autumn Assemblies where we were all very proud of how well the children performed; it was particularly special to see EYFS on stage for the first time. One Can Trust were very grateful for the generous donations provided by our families, thank you for your kindness.

The Little Green Kitchen started providing lunches at the beginning of this week and it has been met with great enthusiasm from the children that have chosen to have school lunches. We have seen the children enjoying making their own choices, trying new things and leaving very little waste. Tracey from The Little Green Kitchen is very keen to make lunchtimes an enjoyable experience for all of the children so if you have any queries or questions please contact her directly or through the school office.

We have lots of exciting things to look forward to this have term including learning about Remembrance Day, supporting Children in Need and a visit from History Off the Page to enrich year 1's learning about toys.

We are in the process of updating our website but please do look at dates on the current site and on this newsletter for important dates for your diaries up to Christmas.

Thank you for your continued support.

Janice Woodhead

Parents Teacher Consultations

Reading Books

A big thank you to all the parents that covered reading books. Reading books will be sent home from Monday. Please read the attached letter (a paper copy will also be sent home) that explains the system and how you can help your child with home reading.
