CHRISTMAS AT MANOR FARM COMMUNITY INFANT SCHOOL

Well the last full week of term started with snow which added even more to the Christmas festivities. The children and staff gave three super performances of which all should be proud. It was a delight to observe the children's confidence and enthusiasm together with their ability to remember their lines and add expression. Well done everyone.

In between the performance practices the children have also enjoyed an activity week where they have made cards, presents and decorations. These have all been lovely opportunities for the children to explore their creative talents and improve their art, drama and singing skills.

The children and staff have worked very hard and I would like to thank them for all their dedication and enthusiasm. I would also like to thank all those that have helped by providing costumes, hearing lines time and time again and for being super audiences. We hope you all enjoyed and that the joy of the season will continue for you all.

May you all have a very happy Christmas.

Best wishes from

Paula Coppins and all the staff and Governors of Manor Farm Community Infant School

CHRISTMAS JUMPER DAY and CHRISTMAS PARTIES

Tuesday 19th December

On Tuesday 19th December we are inviting pupils to wear their silliest, sparkliest or cosiest Christmas sweaters.

This is also the day of our Christmas parties so the children can come to school wearing their festive jumpers instead of their school uniform. Children should still wear sensible shoes and bring their coats as they will still go out to play as usual. Please note that jewellery is still not allowed.

Please do not feel that you need to buy a new snazzy sweater to take part – just get them to decorate an old or plain jumper with tinsel, baubles or homemade snowflakes to create a unique crafty jumper.
