School Motto

**'Together We
Grow'**

A Message from Mrs Coppins

Well we have just finished Leavers Assembly 2018 and it has been lovely to see they year 2's perform with gusto and to show us that they have a good understanding of the importance of celebrating uniqueness and differences.

I would like to wish all the Year 2 students the very best at their new schools.

During the last few weeks the Year 2 children have been taking part in the 'Fiver Challenge' and worked in small groups on a variety of business ideas. Each group made a profit and have given this to different causes of their choice. Overall the children raised £360.00 and have chosen to support a variety of charities and some school resources. This was an excellent way for the children to learn lots of life skills and will become part of our annual calendar.

I would like to say a 'BIG THANK YOU' to all the people that came in weekly to help the children.

I would also like to thank everyone for all the beautiful cards, encouraging words and lovely gifts received. Thank you.

I wish you all an enjoyable holiday and look forward to seeing you in September.

Kind regards

Paula Coppins
