Objective	Provision	Cost	Outcome / Review
To provide specialist PE coach to deliver lessons and provide CPD for staff	A specialist coach from Activ Kids will teach two afternoons a week covering all classes across the year.	£4557	Provided CPD for staff, increased staff's confidence in delivering the PE curriculum, built up a bank of ideas and helped the staff learn how to develop and challenge all pupils in a variety of different sports. Ensured that the lessons were progressive.
To provide competitive opportunities for sport with Activ Kids.	Competitive sports mornings with a local infant school organised by Activ Kids.	£200	Gave children the chance to take part in competitive sport. All abilities took part, created a positive team ethos and children given the opportunity to shine. Encouraged interest in sports

			and children keen to take part in future sporting competitions.
To provide positive play whilst developing fitness and games skills during lunchtimes.	A specialist coach from Activ Kids will lead lunchtime games.	£4200	Children looked forward to taking part in the lunchtime games. Increased children's physical activity and boosted children's esteem. Open to all children particularly popular with children with additional needs – led to improvement in behaviour.
To provide Forest School Training (First Aid)	Forest School Lead will be Paediatric First Aid trained.	£450	Ensured that Forest School could go ahead with a fully trained paediatric first aider. Ensured the well being of all taking part in Forest School is met.
To enhance Forest School Equipment	New equipment to deliver Forest School in an engaging way.	£1000	The equipment has been very popular and all age groups have engaged with the new equipment. It has provided variety and an opportunity to increase a love of nature and being active outdoors.
To provide a trained Forest School Lead and LSA	Salary to cover weekly Forest School sessions.	£5594	All classes have had regular forest school

			<p>sessions that has provided an opportunity to be more active and increase an awareness of the natural world around them. Through the delivery of Forest School, children have had the chance to develop their fine and motor skills and learn to take controlled risks. This has fed in to the children's play at break times.</p>
To replace / update PE Equipment	Replace and update PE equipment for playtimes, lessons and sports day.	£1000	<p>Ensures that everyone is safe. Made lessons more engaging with new and exciting equipment. Increased children's physical activity.</p>
