

# 5 REASONS THE PTA NEED YOUR SUPPORT

## AND HOW IT BENEFITS YOU

### The Funds We Raise

**01** Thanks to your support, we raised an incredible **£2,933.61** at the Christmas Fayre, bringing our yearly total so far to **£7,383** — all of which goes straight back to our children. These funds help pay for resources, activities, school improvements and experiences that enrich every child's time at school. 

### The Challenges We Face

 Last year, 7 members helped plan the Summer Fayre... But by Christmas, we were down to just 3, making it incredibly difficult to organise such a big event. Unless our team grows, **we simply can't continue running Fayres.** **02**

### Why We Need More Members

**03** We need more members so our events stay fun, organised and manageable for everyone. With a few additional volunteers, tasks can be shared fairly and no one is left overwhelmed. **A bigger team also keeps the PTA thriving, bringing in fresh ideas, new perspectives and the energy needed** to continue offering our incredible events! 

### Benefits of Joining the PTA

 Joining the PTA is **rewarding, enjoyable and easier than most people expect.** You'll feel more connected to the school community, have a say in how funds are spent, and play a part in shaping the events we run. It's a chance to make friends, stay "in the loop," and contribute in a way that makes a meaningful difference — all with a small, manageable time commitment. **04**

### Benefits to the Children

**05** Your support helps create memories that last a lifetime — from festive fayres to school discos. PTA events build joy, community spirit and fun throughout the year. Every penny raised goes directly into improving learning, opportunities and school experiences for all pupils. Supporting the PTA means supporting your child — and every child.
