## PTA Statement: Urgent AGM and Future of the PTA

Dear Parents & Carers,

Following our Annual General Meeting held less than four months ago, the PTA is writing to be open and transparent about the current position of the committee and the future of PTA-led events.

At the previous AGM, we asked for additional volunteers to support the continuation of our fundraising activities. Unfortunately, we did not secure enough committee members to make the ongoing organisation of large-scale events sustainable.

Organising a school fayre requires approximately **72 hours of planning**. At present, this workload is being carried by **just two people**, which is not manageable. If all required committee roles are filled, this work can be shared, reducing the commitment to **approximately 9 hours per person over a 4–5 month period**.

Due to the current situation, the PTA has no option but to call an **AGM on Thursday 30 January at 2:30pm at the Junior School** to attempt to fill the minimum number of required roles.

If these roles cannot be filled:

- The PTA will **no longer be able to run fayres or other large fundraising events**
- There is a real risk that the PTA may be **unable to continue operating**

Parents and carers do **not** need to attend the AGM in person to put themselves forward for a role. Anyone wishing to find out more information or nominate themselves is encouraged to contact Georgia on 07538043511.

The PTA remains committed to supporting the school and its pupils, but this can only continue with the involvement of a wider team.

Thank you for taking the time to read.

Kind regards,  
The Friends
